

Carnegie Libraries | Final Concept

Dewey Decimators Joe Iloreta Jessica Kaercher Oren Lieberman
Adam Matthews Jeff Tzucker Joshua Weihnacht

We explored the library's products & services to create an *inside-out* solution.

Carnegie Mellon

We've conducted many forms of research, including:

On-Site/Environmental Research

Observation

Interviews

Survey

Activity Participation

Competitive Analysis

serving diverse groups with different needs
through relevant information, education,
events, and activities

Community Actor

How does the library reach out?

community living room,
online resources,
research, study, coffee,

Amenities

What makes the space attractive?

multimedia rentals,
education, entertainment,
edutainment

state funding, city tax,
county tax,

Funding

How does the library run?

Friends of the Library,
donations, fundraising

Content

What are the library's possessions?

books, movies, music, computers,
staff, librarians, space, books on
tape, chairs, tables

Healthy circulation is a healthy library.

Many patrons aren't aware of all the services the library offers, lowering circulation.

Circulation is more than just checking out books and A/V—it's people meeting, reading, and talking.

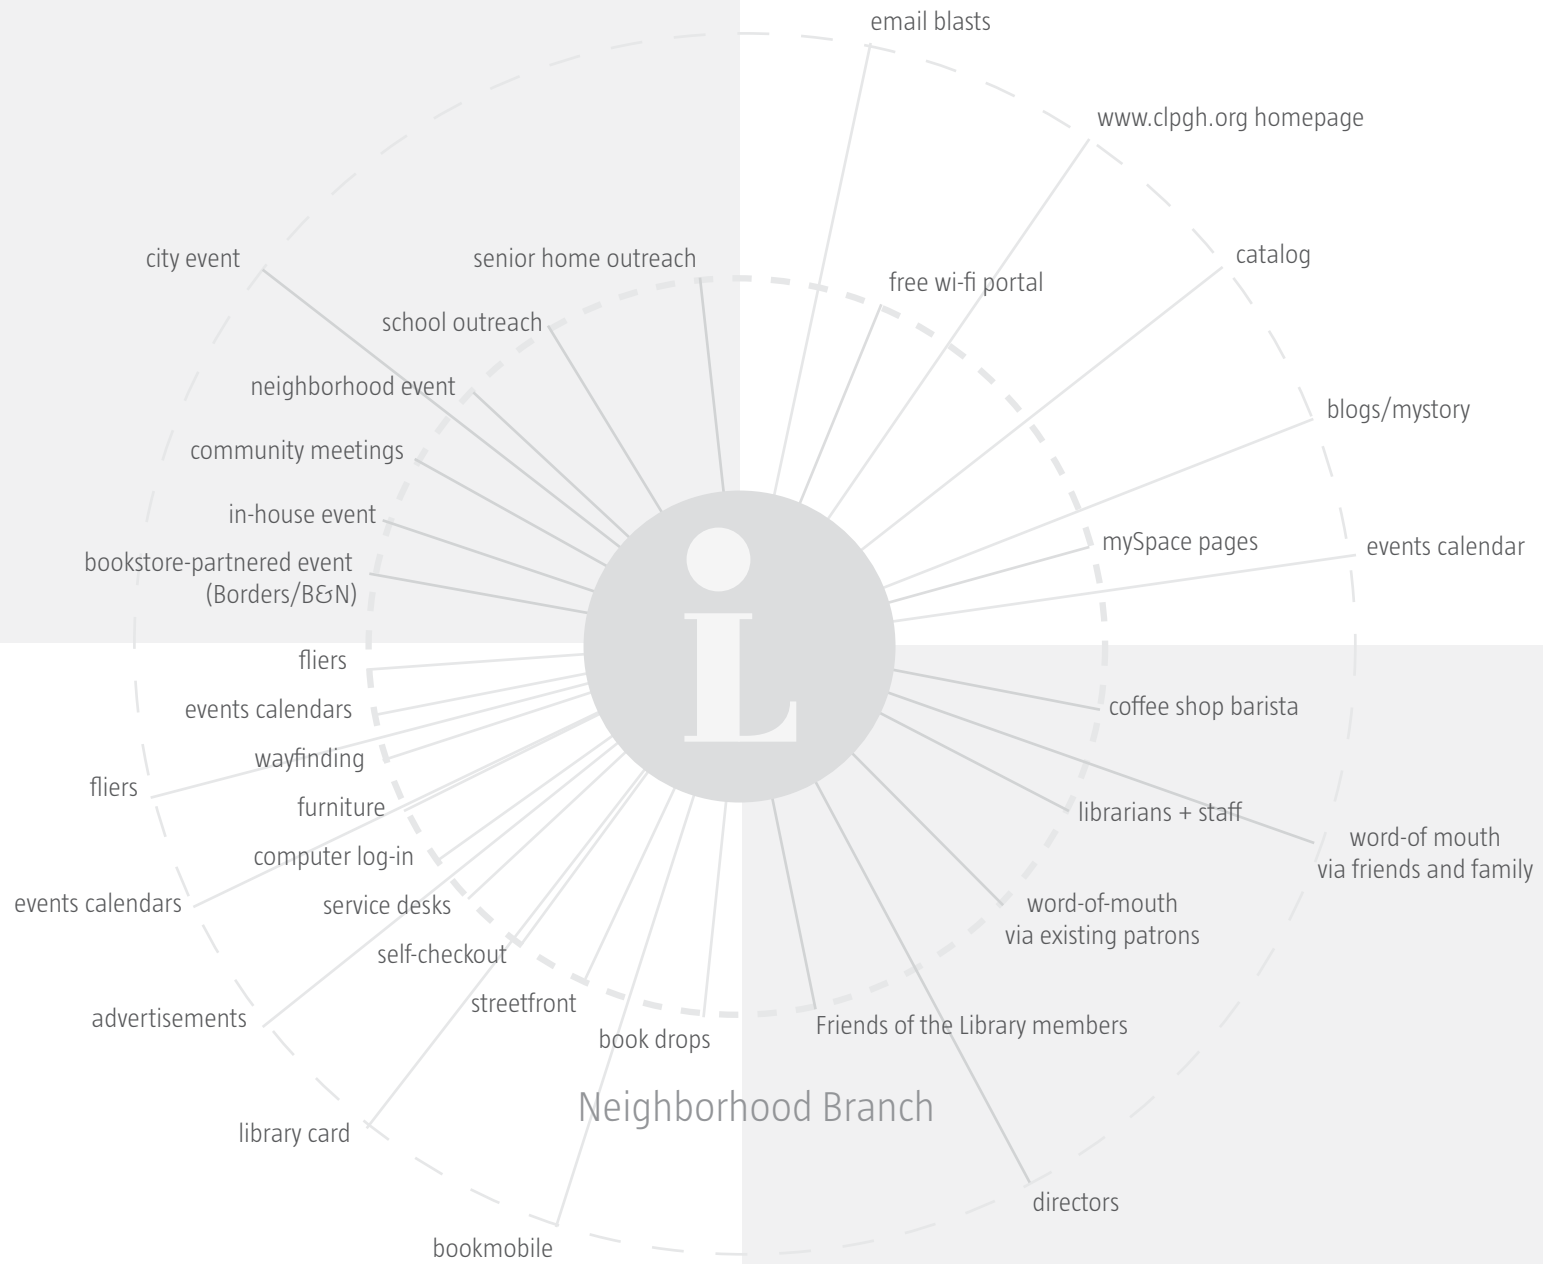

Stakeholders
